EDUCATION

Government College University Faisalabad
BS Information Technology

Faisalabad, Punjab, Pakistan
2021-2025

PROFILE SUMMARY

Flutter developer with hands-on experience building scalable and maintainable mobile apps. Comfortable handling the full app lifecycle—from planning and design to development, deployment, and support. Always learning and exploring new tools and best practices to improve both code quality and user experience.

Looking for a role where I can grow, contribute to meaningful projects, and continue improving my skills.

EXPERIENCE

FA TECH SOLUTION
